Expansion of the management reflects corporate growth

Berlin, 23 Juli 2021. 3PM Services GmbH (3PM Services) has appointed Julia Krause as Managing Director. She thus supports the company's founder and managing director Antje Lubitz in the management. In her new role, Julia Krause is primarily responsible for managing the areas of technical and commercial property management.

Julia Krause (37) joined 3PM Services as Director Property Management in March 2020. She previously worked as a Property Management Coordinator in Retail Asset Management at JLL. At the beginning of the year, she completed her training as a business mediator at the MAB Mediationsakademie in Berlin and has thus already created new structures for the cooperation of the 3PM Services team. In June 2021, she was appointed to the newly created position of Chief Operating Officer.

"3PM Services has grown strongly in recent years," says Antje Lubitz. "We almost doubled the number of employees last year alone and have already continued to grow in 2021. With the company's growth, it was now also time to broaden the management and adapt it to current developments. I am very pleased to have an experienced and, above all, committed second managing director at my side in Julia Krause."
